

DATRON Dental Milling Tools Compatible with Degudent milling systems*

DATRON dental milling tools compatible with Degudent are always the safe choice. In contrast to conventional milling tools from other manufacturers, DATRON Dental Milling Tools are coated with DLC, which increases tool life at more economical machine hourly rates. Used with your Degudent dental milling machine DATRON Dental Milling Tools offer maximum precision and aesthetic machining results at an outstanding price-performance ratio.

Take advantage of our innovative solutions and our comprehensive range of DATRON milling tools.

Your benefits at a glance:

- Long tool life and outstanding price-performance ratio with DLC coating
- Top DATRON quality with your Degudent milling system
- High precision for milling zirconium oxide, PMMA, wax and PEEK
