

## **DATRON** Dental Milling Tools Compatible with Roland milling systems

DATRON dental milling tools compatible with Roland are always the safe choice. Among others DATRON Dental Milling Tools are diamond-coated, which increases tool life to make machine hourly rates more economical. Used with your Roland dental milling machine, DATRON Dental Milling Tools offer maximum precision and aesthetic machining results at an outstanding price-performance ratio.

Take advantage of our innovative solutions and our comprehensive range of DATRON milling tools.

### **Your benefits at a glance:**

- High tool life with diamond coating
- Top DATRON quality with your Roland milling system
- Excellent price-performance ratio and high precision for milling zirconium oxide

### **DATRON Dental Milling Tools**

- For all standard dental milling machines and materials
- Top tool life and quality with excellent price-performance ratio
- Maximum surface quality of milled indications
- Wide range and 100% availability
- Manufacture of specialised and custom milling tools
- All milling tools available separately
- Staggered rebates for single-product orders
- 4% discount for direct debit authorisation  
Please contact [rechnungswesen@datron.de](mailto:rechnungswesen@datron.de) if you have any questions about a direct debit authorisation
- Delivery anywhere in Germany on work days generally with the next 24 hours without surcharge for order received by 2:00 pm
- Scheduled deliveries throughout Germany with delivery charge starting from €25.00
- Worldwide distribution network
